

**External Preliminary Plan Review  
54" Water Transmission Line  
CIP No. 611-D6-0211**

The Engineering Department is soliciting comments and suggestions from the public (contractors, vendors, etc.) on the above-mentioned project. The purpose of this process is to help produce a well-organized and economical set of bid documents and eliminate major addendums during the bid process. In the past we have received a number of notable comments during and after the bid process. We hope that this will bring some of these comments to the forefront so that we may incorporate them into the bid documents prior to advertising for bids.

A Bid Proposal with prospective bid items is available as well as a set of construction drawings that are approximately 75-percent complete. These items can be downloaded from the City of Bryan's Purchasing Department website:

<http://www.bryantx.gov/departments/index.html?name=bids>

Please mail, fax, or email comments and suggestions to:

Richard P. Reynosa  
300 S. Texas Ave.  
Bryan, TX 77803  
Fax: (979) 209-5035  
[rreynosa@bryantx.gov](mailto:rreynosa@bryantx.gov)

The deadline to submit all comments and suggestions is Friday, September 30, 2006. If you have any questions, please contact the Engineering Department at (979) 209-5030.

We greatly appreciate your time and effort in reviewing these documents and sending us any comments you may have.
